

CAPABILITY STATEMENT

Group II, Inc. is a South Florida based licensed General Contractor with over 80 cumulative years of experience in all aspects of the construction industry. Our focus is commercial interior build-out and renovations. Among targeted clients in the fast casual restaurant, retail and fitness spaces. We provide services from the ground floor in site selection, with construction in mind, to design collaboration and construction buildout/renovation. The key to our success is our industry focus and critical mass of projects. That combination allows us to attract the highest quality subcontractors at the best prices, passing the value along to our clients. We use the latest software to communicate and account the projects with our clients. We are grateful for their trust and success.
